

A Monitoring and Evaluation practitioner's experience from the Pacific and Solomon ▶ Islands

Reflections during the C-19 Pandemic

Speaker- Allan Mua Illingworth

A Brief Context to my 'Stori'

- ▶ General focus on the Pacific
- ▶ Specific Examples from the Solomon Islands through the work of the Solomon Islands Justice Program (SIJP)
- ▶ Technology / Internet - How does it feature?

The background features abstract, overlapping geometric shapes in various shades of green, ranging from light lime to dark forest green. These shapes are primarily located on the right side of the slide, creating a modern, layered effect. The rest of the slide is a plain white background.

**What does this mean for the conduct of
M&E and Research?**

The background features abstract, overlapping geometric shapes in various shades of green, ranging from light lime to dark forest green. These shapes are primarily located on the right side of the slide, creating a modern, layered effect. The text is centered on the left side of the slide.

Importance of our relationships and Local and On the Ground Actors

The background features abstract, overlapping geometric shapes in various shades of green, ranging from light lime to dark forest green. These shapes are primarily located on the right side of the slide, creating a modern, layered effect. The text is centered on the white background.

What is considered useful information and data 'Now'?

Is this good enough? What's the New Normal?

The background features abstract, overlapping geometric shapes in various shades of green, ranging from light lime to dark forest green. These shapes are primarily located on the right side of the slide, creating a modern, layered effect. The text is centered on the white background to the left of these shapes.

Telling our 'Stori's' - Pacific/Solomon methods
